This is great stuff folks, from my two favorite n00bstories n00b posters. I thought about remarking on thier conversation, but they provided so much laughter on thier own, all I had to do was watch.

First we have the arguement:

Then we have one starting a poll on the n00b-ness of the other:

Ironic that n00bstories would two n00bs duking it out in thier forums.

The best part is where they start telling each other to learn some grammar. Lol. I live for this kind of stuff.

Lol.. They both have the grammar and spelling skills of a 10 yo.

I doubt if their IQ is higher than their ages.
