ARRRRRRRRRR NOOOOOOOOOO!!!!

Geocitys Can't Find this Page!! ARRR HAHHR!!

:twisted: :twisted:

YES I DID DO COPY AND PASTE

Ps im on my Schools Computers and they suck.. Freaking windows 95 with Netscape 3 Point... whatever.

Im gonna Love this

Simple Log in now.. no need for a Login name.. witch was gay i can never remeber.

hehe I made the arrow an annoucement once just to see the reaction. Well I guess bringing the arrow over here keeps the theme going.

Mobiushehe I made the arrow an annoucement once just to see the reaction. Well I guess bringing the arrow over here keeps the theme going.
Yeah but that's not the same arrow... THE aroow was cooler lol..

it was just an html tag mis placed.. <!-- --> those tags make anything betwenn them invisible to the browser.. and the last one was not placed correctly..

the new arrow is a normal arrow.. but it can do the job lol
