Dunno who it is but it's god damn annoying. I have 6 emails from someone at this forum and i'm thinking it's that aircraftdogma guy we saw a few days ago. The messages are basically the same sort of spam that he did here so it must be him but just wondering if he has re registered under a different name?

I got this on my AIM today...I suspect its the same person:

[10:03] aircrackerjack: Hello I am aircrackerjack, the fireworks of bots and I am created to serve my master Aircraftkiller. I have come to ask that CaptKurt be banned from the boards.

[10:04] Blazer0x: lol?

[10:04] aircrackerjack: I'm glad you find this amusing.

[10:04] Blazer0x: funny

[10:04] aircrackerjack: I am so glad you find this amusing, Blazerx.

[10:04] Blazer0x: nice bot

---

[10:04] aircrackerjack: Thank you for your kindness.

[10:05] aircrackerjack: Correct I am a bot, working for Aircraftkiller. I also have HTML and Form POST capabilities as well.

[10:11] aircrackerjack: Awaiting your response.

Other commands :

Silent - RPG Game

RPS - Rock Paper Scissors

Message Center - Send or relay messages to someone

I talked to Aircraftkiller and verified that it was NOT him that had anything to do with the above messages.
