I am wondering, which game is better BF1942 or Generals. I like renegade, and i kinda play yuri's revenge.

Depends wether you prefer RTS or FPS games. I'd personally stick with BF1942 over Generals any day since Generals is basically just a mediocre re-hash of the series previous installments.

BF1942 is superior. Actually, it's more readily comparable to Renegade than Generals.

Anyway, BF1942 IS more resource-intensive.
