Westwood Online is working for me and for a few in my area. When I was on there were abo ut half the normal servers, maybe less. The only problem was on the Messeage Of The Day, there was no time stamp only the normal. All Westwood Servers and ladders will be handled by EA bla bla bla... Well I say F\*U\*C\*K EA. By my estamates from reports from some friends from the New Westwood 0wnd by EA Server should be up for all soon.

Please Feel Free To Spam About EA. :twisted:
