It's appalling how quickly they add up. And it's not like I spam stupid stuff like SlubbyQ used to.

Oh well. I should have been an admin.....

Yes, but with no Slubbyq, Duke of Nukes, RavenUSC3, or Raveshaw I think we would probably end up attacking each other.

If he ever does come back, I will relinquish the Navy SEAL icon, as I merely love the teams, and am a washout from the program.

At the risk of sounding naive, I've got to ask: Were Foenixz and Hareman one and the same?

Check the number of posts I have. I haven't spammed at all. Mines pretty high.

How many did you have on the original boards?

I had around a modest 4000. I don't think I spammed, so you've got nothing to worry about at 500

I haven't kept up with that posting pattern here, though

TaximesHow many did you have on the original boards?

I had around 2,500, but most of them were battling with the aforementioned n00bs with Hareman.

---

(Draw your own conclusion there Foxx)

I used to have a LOT of fun debating on that forum, and I was one of the first to get in when they reopened registration in May.
