Download for the matrix stealth tank (including shimmer):

<http://www.spliff.wideboys.co.uk/files/renegade/matrix-stealthtank.zip>

Or just the stealthed effect only :

\*cough\*

I never finished the new version due to lack of support, but the old one's still there. The only thing the new one needed was the characters, but for the life of me I couldn't find an infantry modeller, and simple skinning wasn't good enough for me.
