What are you doing??

I use a simple very small dot to play.

i am using the original at the moment coz it got messed up in my data folder so i just deleted all mods and replaced any good skins etc...

i might put another one in....

its not normal it is very very small. my pic must be out of proportion or something :rolleyes:

LEt me start over:

it is about 1/2 the size of the regular ret.

i just unistlalled ren

i missed my lovely reticle os i tried remaking it and as said above it is about half the size and its all disorted.

wanna see how small mine is, good for headshots

<http://www.cannonballpc.com/Chosen%20Gallery/displayimage.php?pos=-50>

have had it for about 8 months now, don't think i'll ever change it
