Maybe Saddam needs to be "serviced" by his Minister of Rape. Yes, boys and girls, there is a man who holds this title and his job is to rape women all day.

I'd really like to get Saddam on our battlefield... now wouldn't that be fun. I'm sure we could find a few nice places to put a beacon on him.....

This won't last long....

Hopefully we take him alive, not kill him, but forced to live in a U.S prision isolated from the rest of the world the rest of his life.

Killing him is to nice. He would be getting out of it the way to easy way.

It would be best to kill him. I would love nothing more then to poor mustard gass down this fuckwit's throat and watch him gag for breath. I want him to die slow, just like the poor fucks he gassed.

If we don't kill him during the war, but make him a prisoner, every terrorist will use his captivity a cause. If he is dead the martyr(sp) cause would be short lived.
