I am only looking for high ranked people to join my clan. I already have 11 people in my clan. My clan name is Best Aimers Together For Victory. I use the same nickname in the game. To join my clan, you need to have a rank that is less than 100. If you have it, then I will add you to my buddlist, so I can talk to you. I already have the 7th,44th,69th.70th ranked people in my clan.

Usually it does. If you checked the high ranked people, you will remember how good they are.

Trust me, most really good players have no rank or just like 3000 cause they played 1 game.

ok lets say they played once, but it is worse. Becasue if they played once, it means they don't play this game that much, and they might play a few games for the clan. I want a clan member who whould play a lot for my clan.
