Holy Shit!

I thought you had left ren for good!
Good to see you. glad to see some one I know is still playing.

Terminator 101My windows media player can't open the file. It has been fu*ked like that for long time. Abyeone knows why?

Uninstall and reinstall. If not, right-click and "Save Target As"

Do you by chance have Windows ME?

Walrus2k - never give up never surrender
I just took a break, im still alive !
I have my hadrware testsite to take care of it takes a lot of time and my wife need some time also
but im online and playing , find me on MOONLIGHT server if it is online.
"you can contact me by email zplATTEr@pcdreams.nu"
