Well, DHTML actually but it is pretty much the same as the DOS classic that most of us gamers will remember. If not it was a game where you have to guide "lemmings" through a maze using different abilities that you grant to them. Great fun to play, the link is below.

Cool, thanks for the link.

Used to play this ages ago on my Amiga.

Excellent link General Havoc.

That brought back some great memories of the game and its musical soundtrack.

Thanks man.
