We discuss hot topics in here... but please TRY and keep it civil. Try to avoid name calling. If you believe in your stance and what you're saying enough, you should be able to state it without personal insults.

This forum will be, for all intents and purposes, unmoderated. Though these forums, and also the internet, do not guarantee you freedom of speech, American or not, you will pretty much have it in here, so long as it's not abused. You will be contacted privately if you get out of hand.

Now, with that said, have fun!
