There was a co-op mode like a single player game but for 2 that was supposed to be out, what happened to that?

no there wasent but you can get SP missions i multiplayer but not co op and there really bad expechaly if your nod and gdi spawners some times stick you together of you fall of the map, there are some converterd SP mission that are made for multi play like C&C_Titanic and C&C_prison_camp

Infinintno there wasent

There was becasue I have it, it wasn't a proper co-op mind

I think I downloaded it from C&C_Ammo but they don't seem the be hosting it anymore i'll upload it some where if anyone wants....
