Quote:A first grade teacher explains to her class that she is an American.
She asks her students to raise their hands if they were American too.

Not really knowing why but wanting to be like their teacher, their
hands explode into the air like flashy fireworks.

There is, however, one exception. A girl named Kristen has not gone along with the crowd.

The teacher asks her why she has decided to be different.

"Because I am not an American."

"Then", asks the teacher, "What are you?"

"I'm a proud Canadian," boasts the little girl.

The teacher is a little perturbed now, her face slightly red. She
asks Kristen why she is a Canadian.

"Well, my mom and dad are Canadians, so I'm a Canadian too."

The teacher is now angry. "That's no reason," she says loudly. "What if your mom was a moron,
and your dad was a moron. What would you be then?"

A pause, and a smile. "Then," says Kristen, "I'd be an American."

Three men at a bar: Mr. Heineken, Mr. Amstel, and Mr. Grolsch.

Mr. Heineken orders a Heineken beer.

"A beer.... good idea", says Mr. Amstel, and orders an Amstel beer.

Then it's Mr. Grolsch's turn to order: "A lemonade, please".

"Why are u ordering lemonade?" ask Mr. Heineken and Mr. Amstel?

"Well", says Mr. Grolsch, "If you guys are not ordering beer, I won't either".
