CrimsonYeah, I downloaded some emoticons... I'll get the white specks cleaned off of them too.  
Already did it for you, Crimmy. =)

Hopefully that'll save you some time, assuming you decide to use them. You'll still have to save them as individual smilies, though.

EDIT: Didn't know a few were animated. I'll work on getting those done and animated later.

Hehe... wish I could let you use some of these; they're only a sample of an exclusive set I have access to. They were free drawn from scratch by an online friend of mine, Nick15.
