Those forums are like... overrun by children. They have this fetish with their hatred for me that's lasted way longer than it needs to...

The loonies are running the asylum over there.

Well, Personally i think you should stop listening 2 those fuckin idiots. 2 of them asked u 2 ban me from n00bstories over a fight in one of the stories (if u make a site like that expect fights) it wasnt

racial. MAN then we played them 2v2 and we owned them 2x. then they secretly asked to join my clan im in -LT-... BS! Unban me plzzz I like the uplaoder and stuff.

You're right, I do expect debates, but when they get out of hand they are locked, and those who persist are banned. I have unbanned you from the site, but you know I'll put it right back on if you do the same crap again.

I don't listen to the people in the CW forums. They are just a bunch of trolls that the legitimate community rejected.

Well, There not community rejects. The best players to ever play the game post there (apoc, cory, +doa+ ppl). But the forum is all flaming and constant fighting its like nature there.

Thnx for unbanning me, And I think you should ban smileydude69 and andrewm69 from your site... they got my IP and posted it on many threads and told people to hack me durning the stories? Since when is that allowed?

I did play around with final renegade, since everyone else in the damn game did. I dont think u can call me a n00b who is always good with cheats when ive won 4 westwood championships and 3 clanwars.cc championships.

You just feel that way, because you and your kiddie clan are composed of morons, cheaters, and other malicious rejects.

I swear you like to side with the anti-Renegade people purely because I am against them.

You are a child.

That really speaks for itself.

Honestly, you can make any comment about people like myself and Kirby having "no lives" for posting here and playing video games, but the unfortunate fact of the matter is...you're here too.

And you're certainly not helping your case talking like that.
