You'll need to register with gamespy but it's worth it

Another is <http://www.renstation.net/> for maps

Hey thanks, do you have any favorite skins? I have quite a lot of skins but they get boring after a while...

My favorite skin --> <http://laeubi.laeubi-soft.de/index.php?go=halo&sub=skins&tl=5>

The solid snake skins for patch

Urban camo for nod units (can't stand the redness)

The solid snake skin sounds cool, but all it shows is your radioactive c4skin. can you tell me where it is or if you have it down?

I need more of those C&C maps with computers so I can play all the maps using Skirmish. Now that would be awesome.
