It took 6 hours for mine. I take it you used the correct URL:
http://renegadeserver.westwood.com/RenegadeFdsReg/index.jsp

It sends it to the email you registered with WOL on. It tells you your email when you login to account manager so make sure you can access the email your registered to WOL with.

*MODS* - Make "http://renegadeserver.westwood.com/RenegadeFdsReg/index.jsp" a sticky topic in the FDS forums as people are always asking for this.

Guess it may depend on your Seniority as a member to WOL?

All i know is that I got my Serial 3 hours after requesting it.
