Yup, it's that time, 6-9 PM CST is Friday Night 80s for N00bstories Radio! I'm currently playing Bon Jovi with Living on a Prayer.

Up next is Corey Hart with Sunglasses at Night.

I've got my microphone working, so I'll be announcing songs and giving a bit of commentary between them.

Have fun!

Hey dude, put some Heavy Metal like Iron Maiden, Halloween, Judas Priest and others...

BTW, what do I have to do in order to listen to the radio?

Lol, ACK I did hear you when you were talking about the porno and then you realised nobody could hear you. Your voice was just down low.

Nice music and commentary BTW. Keep it up.

I'd suggest some other hits like Play the Game Tonight (Kansas), Only Time Will Tell (Asia), Money Changes Everything (Cindy Lauper), Tom Sawyer (Rush), Don't Stop Believin' (Journey), etc.

Played Journey's Don't Stop Believin' already.

Tom Sawyer from Rush, maybe, not sure... People tend to hate Rush.
