xSeth2k2x asked that I remove it... and as the team leader I felt it was within his boundaries to ask that of me.

(*trying to be friendly about this)

Why did that get deleted? I'm curious. I mean, he's trying to do legitimate work and post information about the work he's doing for Renegade.

Infinint is a cool guy and loves Ren. Unless he posted something well out of the scope of the subject or something derogatory I don't see why it should have been removed.

Just curious.

Because the person that leads what the topic was about asked her to. Don't try and start making it seem Crimmy is an unfair bitch.
