Quite frankly, I am sick of the lot of you. It's always one thing after another with you guys in the n00b files. Give me a GOOD reason to lift the IP ban.

well, a good reason i guess i dont have, but i think i never made anything wrong i just was asking for ages to you change my n00bstories files pass... (by the db) for some time.. so my brother couldnt use it

i talked with my brother, and he was kind, told me wouldnt use this IP again, but i think in this case, since u are sick a lot of me, its better u dont do it, thanks anyway

please just do me a last thing if u agree, would u plz delete that report my brother made about me?, its just isnt anything with sense there

sinceraly
