Which you obviously have no clue about. I am hardly 40, or even anywhere in the ballpark.

And you aren't exactly an innocent 14 year old.

One thing I do know, kiddie:

You are an ass, and asses have a tendency to make everything they touch, smell.

Kind of like what you do whenever you attempt to ridicule.

You aren't good at it, so you can stop trying. But look at it this way: It's earning you all kinds of neat friends like IceRacist, here.

Lucky you.
