Just a quick note on my 8 minutes of online time in this boring time of the day.

11 hours after checking out we'll be flying out, an 11 hour wait without a room or anything... ugh.

Just looking forward to the flight now and being home once again.

Well, 5 minutes remaining and we'll have to find something more interesting to do or i'll go insane!

As for now, we'll be off as the timer now says 4 minutes.

Looking forward to coming back to the UK in the good ol' english weather (sad i know, but hey )

See you all in a few days.

The weather hasn't been too bad recently, althouh it looks today as it is turning colder for good now, I don't think we'll get any more sun this year. I like the cold weather anyway.
