A few weeks ago, i was accused of cheating, but get this..

K9TrooperSo really in no way did I directly accuse matt of cheating.

I was directly accused of cheating by K9Trooper and some other person, yet here it states, "So really in no way did I directly accuse matt of cheating."

Sorry, it made me laugh so hard.

Nope - I'm not a big fan of FPS games (Quake, UT, Halflife, Wolfet...). I tend to play FPS games that are different (Planetside, Renegade). I also play a lot of RTS games (C&C series, AOE, AOM...)
