Its been a LONG while since I have posted and I have a question. What happened to Ren Alert? I mean I play renegade still btu don't don't browse for anything and the last thing I knew about Ren Alert was the beta release. So is it still being worked on or was it cancelled?

Infinite, please shut up until you can write your own fucking name properly.

"Infinint" wtf?

It isn't cancelled. Don't listen to that moron, please.
