Ok all, one of my moderators came up with a good idea, we're looking to buy JTeKSvr06 a dedicated home.

I don't care if it's 50 cents anything would help us

Players: 16
Game type: Snipe

If you would donate write a short message down here, I'll set up a paypal tomorrow.

Thanks,
SS

How much are you guys looking to invest in a server?

If you want to run a gameserver from a dedicated server, go to <http://www.servermatrix.com> they sell great servers for about \$90 with 700 odd gigs of bw.

or <http://www.server4you.com> great servers
