Quote:Compaq FAQ: Where do I find the "Any" key on my keyboard? (FAQ2859)

The term "any key" does not refer to a particular key on the keyboard. It simply means to strike any one of the keys on your keyboard or handheld screen

!!!!!!!!!! ROFLMAO

I wonder. Is it actually possible that some one had that problem and couldnt figure out what to do?
Hmmm...makes me think.

Machine: "When ready, press ANY key."

Homer: "ANY key?! Wheres the ANY key?"

Homer presses a button

Alarms go off

Machine: "Warning Warning Nuclear meltdown initiated!"

HaHaHa i loved that episode!
