I get this
<http://www.yano7.com/Downloads/Screen%20Shots/untitled1.JPG>
and this
<http://www.yano7.com/Downloads/Screen%20Shots/untitled2.JPG>

I had the same problem so I installed the SDK...

Then I debugged it...

This seems to be a common problem and makes ur total BR.net download size of over 120mb...

We need a better solution.
