See anyone you recognize?

I have no idea what the heck it's for, but...it's Renegade, so, ah...

It doesn't look Renegade related even though Logan is in the background, the figure looks nothing like him.

The 4th girl along looks familiar from a Playstation 2 game called Primal. She is called Jenifer as far as I know and she walks around with a strange demon creature called Scree that looks similar to the creature in the picture.
