Hmmm.

I thought this avatar was sort of reserved for me by Crimmson.
Guess I was wrong.

No you didn't have it first. I uploaded that avatar strictly for Giz and therefore, you now have the chicken. Please don't use anything in the "RESERVED GALLERY - DO NOT USE" unless I upload something specifically for you.

And if you look at the properties of the image, it's called "gizbotvas.gif"... HRMMMMMMMM....

All the avatars in there are named for the person who they belong to.
