I don't even want to see the trailer clips. I'd rather go to the cinema and experience everything full-screen without previously seeing it.

My friend has flat out refused to watch any trailers or TV Spots because he said they ruined the experience of Reloaded.

I myself have only seen the theatrical trailer (and the one at the end of Reloaded), and that is where I stop

Ditto. I don't want to try and throw together theories based on three-frame clips of the next movie.

Only a few days left, can't wait.

What do you mean by Ditto? In Scotland, it's a term used to describe an idiot

sorry to go off topic. Can't wait for this film either.

Ditto is another word for copy. Basically meaning I feel the same way.
