I have completed all the "basic" tutorials that explain how tom put little spheres in your maps and teapots etc. But, i dunno how to put buildings. Can somebody post a tutorial on how to put buildings into my maps.

not a link to sites with that same old tutorial page from renhelp but the tutorial itself....unless its huge.

We got some tutorials at http://www.renhelp.co.uk that may help you. There is a basic map tutorial there (as well as the WW tepot one) that may help you out.
