Over at TTLG, I spotted a hilarious thread.

It was about someone asking opinions of going "furry," trying out a sexual attraction to people dressed like furry cartoon animals.

Should I go furry?

I have done some investigation of the furry community and i wanted an opinion; whether or not to join. I would not go all to extreme ends.

Just to wear a tail.....

I have no response to this.

I have sat staring at a Post Reply screen for approximately five minutes now, fully intending to post a reply, but I have no idea what the words I want to say are.

Perhaps I would be better to express myself through the medium of song.

ahem

WHAT THE FUCK ARE YOU ASKING US FOR?
BE A RIDICULOUS DEVIANT OR DON'T BE A RIDICULOUS DEVIANT
THE CHOICE IS YOURS
THE CHOICE IS YOURS

WHAT THE FUCK DO YOU THINK WE'LL SAY?

(quiet bridge bit in minor key)

Ooooooo I want to put on ears and a tail and pretend I'm something less pathetic than someone
who simply wants to put on ears and a tail and be something less pathetic only mum won't let me
Ooooooo I need to find some way to make myself cooler except I'm not sure what to do and
