hey i get killed by snipers .. and vary often, i k\got killed by the same sniper in n00bstories about 20 times in the same game (field) but i have a good reason, i was attacking artillery (and killing them) with base infantry. hey i went on a suicide mission, and i killed a few artillery (usaully with time c4 at the end) each time i ran out, of course they still out scored us, and latter flame tank us
