Spelling and mis-typing are two different things. I tend to hit keys before they are needed. People(like you) automatically think I do not know how to spell.

Wait a sec wait a sec i look in my topic i see u bashing americans i look here same thing wtf is wrong with you??? Know why my spelling was so bad?? I used big words or tried to express how much this ment for our troops and there cause in a paragraph dave here said 3 words and you go and trun it into an american haten rally. YOU ARE A MOTHER FUCKING NAZI FAGGET do you know that almost all the admins here are americans???? im sure they wont like what ur sayin either but i would think you need to keep your mother fucking lame ass views out of here.
