Let's forget about Reborn for a moment and take a moment to reflect the true meaning of Christmas...

... to get a shitload of presents.

I got a 160 Gb hard drive from Santa Claus YAY! My bro got an ATI Radeon 9600 XT from santa and my sis got a DVD, some clothing, and an alarm clock / radio from santa. I can't wait to open my presents. I can't wait for Christmas dinner. I love Christmas dinner . . . Ham, masked potatoes, rolls, dumplings, stuffing, turkey, sweet potatoes, beanie wienies, deviled eggs, pies, gravy, fudge (goey and not hardening at all been in fridge all night long)
