American Cancer Society, donate if you can!
Every little bit helps.
Go here for more info on how!

I don't want to drudge up anything, but I felt I should do something since my Grandpa just passed away 4 hours ago from it.

Least I could do, you know?

Deepest condolences, it's no fun to lose a family member this close to the holiday season.

Thanks guys, really appreciate it. The funeral just happens to be on New Years Eve also... go figure huh?

I did think of a good way to honor him though, and I plan on mentioning it to the rest of the family. What we should do is donate to the ACS every year on his birthday, sort of like our birthday present to him.

1 year anniversary. Just reminding everyone that if you are able, donate to a good cause!

We miss him.

I also only donated \$10... as I too don't have that much to give, but I figure every little bit helps!

Thanks
