This is shutting down and was one of the main sources for the cheats. For many this is good and yet for some people who have been members of this board for a long time this is saddening but it will help renegade a bit.

Wahoo!

Although when RenGuard comes out, it won't really matter for Renegade. But they h4x other games, so it's good is closing. Wankers!

Oops :oops: I forgot about that.

Here's a cut and paste:

MrBob.....I wish for GX to be gone, forever.
