BCnet or Black-cell.net clan also has a BCnet2 which have yet to play a clan match due to being new, they are looking for a clan to challenge them and i post here offering any clan out there to give them a good first match.

You can challenge here or on our forum in the clan section <http://black-cell.net> or find us on our irc. [irc.black-cell.net](irc://black-cell.net) in channel #bcserv4

they await your challenge

above post was edited as i left BC on the 26th of Jan 2004.....the clan as far as im aware still wishes for matches but i would advise anyone willing to challenge to go to the Black-cell website (link in above post)...

As i am not entirely sure if they are still accepting challenges....
