for those who have played the original C&C (specifically the NoD.) i was wondering if anyone knows the name of the band that plays the end music as the credits roll. i got the song off of my sega saturn disk, did some searching, and couldn't find the name of the band.

The soundtrack of the original game was made by Frank Klepacki.

Yeah, Frank was the drummer in the band "I Am" that did "Times" as some other dude said which is the song.
That said I can't find a high quality version anywhere and the one on the c&c disk is low quality
