Lord Vecna"it's not Mafia, it's some close friends...."

Exactly, the words mafia are not in the italian language, I have no clue why they keep making movies about us!

Im about 80% Italian. My whole family is pretty much Italian. The thing that makes it bad is that I live in Chicago. So everyone assumes that an Italian who lives in Chicago is attached to the mob. And I am here to tell you that that is absolutely true. Both sides of my family have and did have people in the mob.
