????Can you tell me what programs you used????

I am trying to do some changing in games 2.
I wanna learn it but i don't know what program 2 use.

and do you maybe want to give a litle help because it hard to learn it by yourself!!

I am only 13 jears old i don't know that much about computers.

Thanks if you wan't to tell me.

brenbot is written in perl using POE.

http://www.perl.org
http://poe.perl.org

Buy a good book.
