How would it differ from the regular Public Tools?

I'll take a peek later.

IRON-FARTHow would it differ from the regular Public Tools?

I'll take a peek later.

wtf? how do you think it'll differ? its not the Original Buildings, its RenAlert's

thats one major difference, Second its got all the scripts, sounds, etc embedded in it to make a RenAlert map/mod

It didn't work with the n?
Did you try it with the B???
:rolleyes:

CrimsonBecause someone else registered that domain without asking me if I minded.

Why would they have to ask you if they can register that domain?

Courtesy... I didn't say "ask me if you are allowed to". I said "ask me if I minded". I am already fighting to get back "noobstories.com" but I'd have to pay about a grand to do it, and I'd SO easily win in arbitration.
