No, I know what he's talking about.

They are the regular WOL only servers...the games are always full when you join, but it shows them with spaces to join.

No idea what it is.

add all the lines of your text shit???? What does that mean, also my sigg is under the character limit so I'm ok right?

EDIT: That signature any better?

No Spreegem - your Eclipse Games picture is so wide it stretches the window, it's not how much text you have.
