That's a damn crazy coincidence! Just last night we were talking about this to a few mates, just came up in a conversation. Reminiscing back to when a friend forwarded an e-mail to me containing the written script...

First time i've seen it on video tho - great find, thanks.

I showed this to my mum & dad, they said the episode was made specially for Comic Relief or something of the sort.

So it's not an actual episode, funnily enough... lol

Yeah I guess that's what it was made for. I don't think there would be many happy people if they transmitted this in the daytime for their children to watch
