Renegade Works on Win XP (Pro) ?

Yes

Renegade Public Tools Works on Win XP (pro)

Yes

Renegade Alert work on Win XP (Pro) ?

Yes

Renegade Alert Public Tools work on Win XP (pro) ?

Yes

Reborn work on win xp (pro) ?

It should, provided you get it working at all.

Reborn isn't all that bad, the installing is the worst part, still never figured out how to install it.

Everything was released when winxp was already availiable so no problems there.
