1. It's n00b, not noob, n00b.

2. Here's a great n00b picture:

LOL that ones great! With the expression on his face it makes it look like the pics used to call the reader -rather than the person contained in the pic- a n00b!

And with that in mind, seeing as how no one was specified as the reciever, it can further only be assumed the n00b comment is targeted at the thread creator.

Never knew you had it in you Titan, good job!
