Do you hate racists or something?

So if that guy gets banned that means you should get banned too. :twisted: :rolleyes:

I say let him give an explanation first, if he's racist, he won't deny it. He could be of color (i didn't know how to choose my wording because of sensitive people). If he's racist, ban his ass, no excuses for that.

I agree with Renx.

Delete his account. If he wants to post here, force him to use a nice name.

You can still ban him, but he hasn't even had one post yet.
