I believe the name of the song is Hell March (Remix). Although I cannot give you a download, I can give you Frank Klepacki's jukebox link here.

Ohh! I love Just Do It Up! Could someone get me that song?

EDIT: Maybe I can get it out of C&C with XCC Mixer?

That's because XCC mixer sucks. Use RenegadeEx from Scorpio9a:
<http://www.cncnz.com/files/renegade/utils2.shtml#renex>

I thought you meant just the RenAlert music, never mind. :oops:

It still sucks though.

j4S[p]We are trying to open C&C not Renegade... :rolleyes:

You shouldn't say we because I am trying to open up RenAlert

Ok then, just open the always.dat of RenAlert with RenegadeEx. Then search for "mp3" and you should get all the music files.
